DRAWING of PROPOSED MEMORIAL

Ampfield Parish Council has resolved to apply the same criteria for the erection of memorials as those currently allowed for churchyards in the Diocese of Winchester. The Chancellor of the Diocese's Churchyard Rules, have been circulated to Ampfield Parish Council, Parish Clergy and Stonemasons and ordered to be placed on all Church notice boards.

1. I apply to Ampfield Parish Council for permission to introduce the memorial described above and I undertake that, if permission is granted by the Council, the monument will be erected in exact conformity with that description.
2. I undertake to pay the statutory fee of £
3. I further undertake to indemnify the Council against all costs and expenses to which it may be put in respect of any deviation from the undertaking numbered 1 above.
4. I do not object to the Stonemason's name being incised upon the memorial (provided such an incision meets the requirements of the Churchyard Rules).
5. I understand that Chapel Wood is a lawn cemetery in which the graves are grassed flat, and that only memorials which have been permitted may be erected there. I further understand that by signing this application I am authorizing Ampfield Parish Council to remove any artifacts that are not permitted under the regulations, and that I am also authorizing the Council to lay flat any authorized memorial subsequent to this application which the Council considers to have become unsafe.
