E661 – Hursley Road, Chandlers Ford – Carriageway Resurfacing

Night Working Advance Notification

As part of Operation Resilience, Hampshire County Council's programme to make Hampshire's roads more resilient to the effects of extreme weather and heavy traffic, we will be undertaking carriageway resurfacing in Hursley Road between the junction of Beechwood Crescent and 100m south of the junction with Hiltingbury Road, plus 50m into both Hiltingbury Road and Baddesley Road from the junction.

The work is programmed for July 2019 and is estimated to take up to 4 nights to complete.

Due to the nature of the work and for safety reasons, it is necessary to close Hursley Road to traffic. Due to the impact the closure will have on traffic and to minimise disruption, it is necessary to carry out this work at night between 20:00 to 06:00.

As a resident, you are receiving this letter to inform you that, due to the close proximity of your property to the works, you are within an area which may experience some noise disturbance overnight. We are aware of the issues created by night working and will endeavour to keep noise levels reduced whenever possible.

Approximately 2 weeks prior to works commencing, you will receive a further letter confirming the start date and working hours.

I should like to thank you for your co-operation and, should you have any queries regarding these works, please call our contact centre on 0300 555 1388.

Yours faithfully,

A handwritten signature in black ink, appearing to read "Beed".
